## September 2017

Scott Family Housing Residents,

We appreciate the participation from the residents during all of our community events we host here at Scott Family Housing! This month we will have Pet Rock Day, Play-Doh Day, Movie night, and Play it Forward donation week!

We hope to have the participation of all our young ones to celebrate Pet Rock Day!

## Free Family Movie Night!

FREE MOVIE EVENT FOR SCOTT FAMILY HOUSING RESIDENTS:

After such a great turn out last couple of months at our movie night and Matinee we would love to keep them going and give the opportunity for our military families to have some free entertainment! This will be located at the Scott AFB Library Auditorium. We hope to see you there!

Movie: Wonder Woman  
When: Monday 7pm  
September 25, 2017

Free Family Movie Night-  
7pm September 25th 2017

## Maintenance Tips

Inspect water heater and water lines to water heater for leaks  
Check toilets for leaks/running.

Test smoke/CO2 alarms. If not working let leasing know so they can put in WO to have looked at by maintenance.

Clean bathroom sink/tub drains out. They sell reusable drain auger at LOWE'S called a Zip-It few bucks and will clean hair out of drains. Easy to use.

Check flashlights and any other emergency product that may need in case of power outage. Make sure all are in working order.

Check roof for missing shingles. If missing shingles please call leasing or put in WO to have looked at by housing.
