Scott Family Housing Residents,

We at SFH hope you had a wonderful Thanksgiving, and extend a HUGE "Happy Holidays!" for the season to come!

December Tips & Tricks

- Use shiny green tinsel to make your tree look fuller
- Use plastic cups to neatly store your ornaments & egg cartons for your smaller trinkets
- Wrap lights around a hanger to keep them from getting tangled during storage
- Making cookies? Turn them into ornaments that will last for years by adding 3 coats of varnish!
- Freeze whipped cream on a cookie sheet & use a cookie cutter to make hot cocoa hearts
- Jars of homemade "candy cane" play-doh makes an insanely easy children's gift
- Make tiny donuts for your "Elf On The Shelf" with Cherrios
- Grind, smash or otherwise pulverize candy canes and add them to EVERYTHING!
- Use a cardboard box wrapped in gift paper as your trash can on Christmas morning
- You can use command hooks to seamlessly hang wreaths over a door
- Glue two candy canes together to make easy place card holders for your holiday dinner
- Hang ornaments from a light fixture to transform it into a holiday chandelier
- Load your icing into condiment bottles for an easy cookie decorating hack
- A simple burlap garland will spruce up any front porch tree
- Reuse a wastebasket or a wine crate to corral your holiday wrapping paper
- Green sherbet & Sprite make a fun "Grinch" inspired punch for the kids
- Use double-sided tape for a more professional looking gift wrap job

December Maintenance Tips:

- Replace furnace air filter to keep the air in your home clean & flowing freely
- Disconnect & drain garden hoses
- Untangle & inspect holiday lights
- Check fire extinguishers
- Reverse ceiling fans if present in home, this helps push warm air down
- Lay rugs over cold flooring
