

# JULY 2018 NEWSLETTER

Community Updates & Events

ONE MISSION. ONE COMMUNITY.

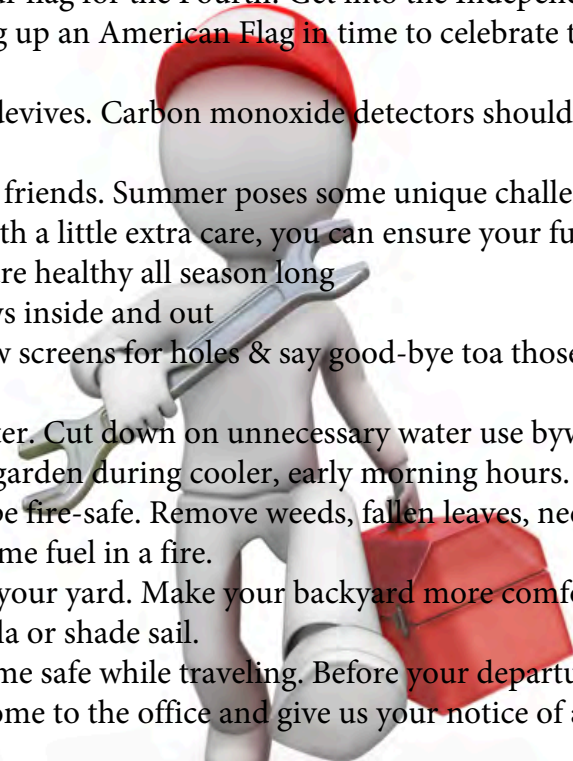

## Scott Family Housing Residents,

The TEAM at Scott Family Housing hopes you had a wonderful June and that your July is even better. Stay cool and have fun like we did all June long during our resident events! Thanks to everyone that participated!

## July Maintenance Tips:

- Break out your flag for the Fourth! Get into the Independence Day spirit by putting up an American Flag in time to celebrate the Fourth of July
- Check safety devices. Carbon monoxide detectors should be tested monthly!
- Care for furry friends. Summer poses some unique challenges for our pets, but with a little extra care, you can ensure your furry four-legged friends are healthy all season long
- Clean windows inside and out
- Check window screens for holes & say good-bye to those pesky mosquitoes!
- Conserve Water. Cut down on unnecessary water use by watering your lawn and garden during cooler, early morning hours.
- Keep landscape fire-safe. Remove weeds, fallen leaves, needles, etc. that could become fuel in a fire.
- Add shade to your yard. Make your backyard more comfortable with an umbrella or shade sail.
- Keep your home safe while traveling. Before your departure, take some time to come to the office and give us your notice of absence.

**Meet your Patriot's Landing Leasing Specialist: LAURIE**

I have enjoyed being a Leasing Specialist for the past few years. My favorite time has been spent helping military families find their new homes, and I look forward to continuing to serve in that role. I have volunteered for the military in many different capacities as a military wife, and now as a military mom. I understand first-hand the challenges that PCS moves and deployments present for our families. I am also a proud mother of 4 precious children. My hobbies include camping, reading, and spending time with my family
