ONE MISSION. ONE COMMUNITY.

Scott Family Housing Residents,

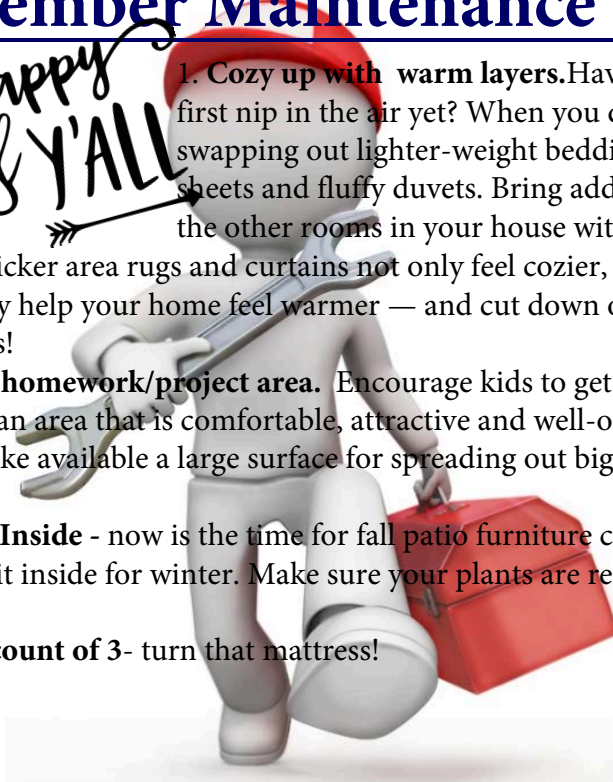

We had a BLAST with you this Summer! As this hot season wraps up and you prepare for the upcoming school year and fall weather, SFH wishes you happy days spent with family and friends!

September Maintenance Tips:

happy fall Y'ALL

1. **Cozy up with warm layers.** Have you felt that first nip in the air yet? When you do, think about swapping out lighter-weight bedding for flannel sheets and fluffy duvets. Bring added warmth to the other rooms in your house with throws and pillows. Thicker area rugs and curtains not only feel cozier, but they also can actually help your home feel warmer — and cut down on your energy bills!
2. **Set up a homework/project area.** Encourage kids to get their work done with an area that is comfortable, attractive and well-organized. Ideally, make available a large surface for spreading out big or messy projects.
3. **Moving Inside** - now is the time for fall patio furniture cleaning & then store it inside for winter. Make sure your plants are ready for winter too!
4. **On the count of 3-** turn that mattress!

Meet your Lincoln's Landing Resident Services Specialist - Kim

I was born and raised in Denmark about 20 miles north of Copenhagen in a small town named Ganloese. I joined the RDAF (Royal Danish Air Force) in 1980 at the age of (barely) 17 and was honorably discharged in 1999 after 19 years of service. I met my wonderful wife: ReChell, who was serving in the USAF, during my last overseas assignment to HQ NAEW-FC (E3A AWACS component at SHAPE), Mons, Belgium in 1998. ReChell and I have a total of 5 children amongst us and have since been blessed with 3 grandchildren. I have held several different jobs while following my then active duty wife around (PCS'ing to various locations), but we eventually ended up here at Scott AFB mid-2005.. ReChell retired from the air force in June 2011 after 24 years of service. I have been a Hunt employee since December 29, 2005. I started out as a Leasing agent and then accepted a bookkeeper position in August of 2008. I have been in my current position as a Resident Services Specialist (RSS) in Lincolns Landing since August/September 2016.
