## Our President's Message

From all of us here at Hunt Military Communities, I want to wish all the fathers out there the sincerest Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

In May, Hunt Military Communities teamed up with wear blue: run to remember in organizing Memorial Day virtual run/walk events in our communities. wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military.

This year, wear blue hosted the event as a virtual run/walk, enabling runners and walkers from all over the U.S. to continue on in the mission – to honor our nation's fallen by learning their stories, speaking their names out aloud and honoring their legacies. Runners and walkers were encouraged to participate on an individual basis and became part of a living memorial to America's fallen heroes and showed of support for the families they left behind. Hundreds of HMC employees and residents participated in the event across the U.S.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

Best,

John Ehle  
President
