

Our President's Message

In just a few short weeks, we'll be celebrating the beginning of a new year. I think many of us are breathing a sigh of relief to welcome in 2021. During this holiday season and throughout the year, we appreciate the service and sacrifice you and your

families make. With deployments or long training missions, our Service Members miss out on many special occasions during the holiday season. Our communities are doing special service projects this holiday season to show our gratitude for our military families and all you do day-in and day-out. Donation drop-off stations have been established at 26 HMC communities across the nation to collect presents and toys for children in need as part of the U.S. Marine Corps Reserve Toys for Tots program. We are also encouraging employees and residents to participate in Wreaths Across America to support their wreath-laying efforts at military cemeteries across the country. On behalf of everyone here at Hunt Military Communities, I want to take this time to wish you all a very safe and happy Holiday Season and a healthy and happy 2021.

John Ehle, President
Hunt Military Communities
