## PRESIDENT'S MESSAGE

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide, and especially the dependent children of military members serving at home and overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and some have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

*John Ehle, President Hunt Military Communities*

## - HUNT LITTLE HEROES PROGRAM -

Throughout the month of April, we celebrate our youngest heroes! In honor of Month of the Military Child, we're asking children of military families to share their "Hero Story" by participating in our Hunt Little Heroes Program. This program gives children between the ages of 4-15 the opportunity to share what they think it takes to be a hero and how they've made a difference in their community.

Judges will score entries on a scale of 0-5 based on the company's core values: **Kindness, Responsibility, Enthusiasm, Commitment and Selflessness.** All applicant will receive a Purple Coin, a Hunt Little Heroes Cape, and a Mask. The top three applicants will receive a cash prize (\$1000, \$500, or \$300) to which half of the prize will go to the child and the other half to a charity of their choice!

### SUBMISSION GUIDELINES

- Submit a 300-word essay, a video (2 minutes or less), or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short blurb may also be submitted.
- Send submissions to [HuntLittleHeroes@huntcompanies.com](mailto:HuntLittleHeroes@huntcompanies.com) with the "submission" sent as an attachment.
- Each applicant will be asked to share a signed form with their parent or guardian's consent to participate in the Hunt Little Heroes program.
- By submitting your entry, you consent to have your entry appear on Hunt Military Communities social channels and website. Hunt Military Communities also has the right to utilize the submission with local media.
