

CEO'S MESSAGE

As PSC season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and scarifies of military families inspires us to continually improve our service delivery at HMC.

During September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families.

The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation. Thank you for allowing us the opportunity to serve you.

BRIAN STANN
CEO, HUNT MILITARY COMMUNITIES
