

CEO'S MESSAGE

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods of time. We are proud to acknowledge and support the tremendous strength and resiliency of our military children, along with the sacrifices. This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero and positive influence in their community. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice. For more information please visit <https://www.huntheroesfoundaiton.org.com>. From all of us here at HMC, thank you for your service and sacrifice.
