UNDERSTANDING THE NOTICE-TO-VACATE PROCESS

Anticipating an upcoming PCS or looking to purchase a new home off base? Not sure how the move-out process works? We understand that your chapter with us will eventually end and when that time comes, we want you to be informed, prepared and confident in what to expect when initiating the move-out process.

- **All notices must be submitted in writing. Verbal notices are not accepted.**
- If you're active duty and anticipate orders, please know that orders are NOT required to submit notice, but will be required no later than your final inspection appointment.
- Scott Family Housing requires a minimum of 30-days' notice from residents prior to vacating. Notices can be accepted up to 90 days in advance.
- By fulfilling your required 30-days' notice you avoid paying rent for days that you're not actually residing in the home.
- When picking a move-out date, you should choose the latest possible date you could be in the home. Your final inspection may be moved to an earlier date if needed, but because we pre-lease your home once you submit notice, it may not be possible for you to retain the home past your initial vacating date.
- Appointments are scheduled on a first come first serve basis, with end of month appointments usually being the first to fill up.
