

JANUARY 2018 NEWSLETTER

Community Updates & Events

Scott Family Housing Residents,
May every day of the 2018 year glow
with good cheer and happiness for
you and your family.
Happy New Year!

Thank you!

We wanted to say thank you to everyone that helped participated in our December events. We love to see smiling faces and happy residents! **Don't forget to stop by your Community Center for your New Year's supplies on December 29, 2017!**

January Maintenance Tips:

- Holiday Clean Up- take advantage of this time to do some early "spring cleaning" as you gather and put away your holiday decorations. Now is the time to organize what you intend to keep, and purge your more unnecessary items
- Change the air filter. New Year, new you. Keep your HVAC, home, and yourself happy this year and change this every three months, at least.
- Double check your heat. Avoid the hassle, and make sure your heat stays at 65 or above to avoid busted water lines etc.
- Annual Checks: have you checked your smoke/carbon monoxide detectors & test batteries?

Maintenance Member of the Month

JR - Our Maintenance Manager has lived in Illinois for 56 years and enjoys going to/watching Cardinal's games, and working in his yard. His favorite food is hot wings, steak, & brats. JR has been with us for 11 years. WOW! He loves working at SFH because, "The team we have is a great team to work for. Maintenance and leasing always work as a team. It's nice to come to work and everything run smooth at move-outs of residents & leasing. Megan & Deanna are great to work with." We are so lucky to have such a wonderful & knowledgeable guy to help lead our maintenance team! Thanks JR!
