

# MARCH 2018 NEWSLETTER

Community Updates & Events

ONE MISSION. ONE COMMUNITY.

**Scott Family Housing Residents,**  
We hope that you had a wonderful February and your days are filled with happiness! We'd also like to extend a huge **THANK YOU** to everyone that participated in our February events!

## March Maintenance Tips:

**-Replace your air filter.** While your filter should ideally be changed every 3 months, the beginning of warmer temperatures prompts us to think about changing again. Warmer weather and a clean filter will go a long way in helping keep your air fresh and your family healthy!

**-Clean your dryer vent.** Not all lint is caught in the trap; some of those "fuzz-bunnies" make their way into the dryer vent. A clear vent will save you money by reducing the time your dryer has to run. A clogged vent not only wastes more money, but can also cause house fires.

**-Vacuum your refrigerator coils.** The coils that you'll find on the bottom or back of your unit conduct the hot air from inside the refrigerator. If they're coated with dust, they do the job less effectively and cause your fridge to work harder and use more energy resulting in a higher electric bill.

**-Replace the batteries in your smoke detectors.** You never know when you'll need them! Sometimes, it's a matter of life or death, so take the time to change the batteries now.

**-Prepare your lawn mower for Summer.** Change the engine oil and sharpen the cutting blade. In doing this, you will lengthen the life of the mower and improve the look of your lawn.

## Maintenance Member of the Month!

Eric is one of our maintenance technicians and we are so glad to have him with our team! In his own words, his favorite thing about working at SFH is, "I'm able to serve the people who serve our country." Eric's favorite color is red and favorite food is seafood, and he enjoys cars, car sports, & riding his bike. He has 10+ years of experience and has lived in Illinois for 6 years now. Thanks Eric! We appreciate you!

## Memory Box Examples

Project Sweet Peas is a 501(c)(3) national non-profit organization coordinated by volunteers, who through personal experience have become passionate about providing support to families of premature or sick infants and to those who have been affected by pregnancy and infant loss.

Project Sweet Peas acknowledges the importance of parental involvement in caregiving and decision-making in the neonatal intensive care unit (NICU), and seeks to promote family-centered care (FCC) competencies in hospitals nationwide. Care packages, hospital events, peer-to-peer support, financial aid, educational materials, and other Project Sweet Peas services, support the cultural, spiritual, emotional, and financial needs of families as they endure life in the NICU.

Project Sweet Peas makes a lifelong commitment to support families experiencing pregnancy and infant loss. In a baby's last moments, families are encouraged to make cherished memories with custom Project Sweet Peas keepsake items. Healing and remembrance continue to be fostered through programming such as peer-to-peer support, and our annual candlelight vigil.

Through our services, we give from our hearts, to inspire families with the hope of

## Meet your Patriot's Landing Resident Rep: Monique

Monique is a Resident Rep for Patriot's Landing and has been representing PL since August of 2015. She and her family has been stationed at Scott AFB for 3 years. Her husband is Active Duty in the Air Force, and they've been married for 10 years. They have 3 children and are originally from Michigan. She loves gardening and taking advantage of being on the Migration Superhighway by raising Monarch butterflies. She also volunteers her time with a local animal rescue group and as she says, "many people might know me as the "crazy" cat lady here at Scott. I have lived in 2 different locations here in Patriots Landing so I've met quite a few people but I still try hard to reach out personally to all the incoming residents. I've been new before and think it's important to just know a neighbor is around to help with questions, concerns or to lend a hand."
