Community Updates & Events

ONE MISSION. ONE COMMUNITY.

## Scott Family Housing Residents,

Happy May from the Scott Family Housing TEAM to you! We hope as the weather gets nicer, you enjoy every minute of it & take some time to get fresh air and lots of sunshine. Thank you to everyone that came out for our April events. We hope you had just as much fun as we did!

## May Maintenance Tips:

### Storm Water Tips – Vehicle Care

- Routinely check your vehicle for leaks
- Use sawdust or kitty litter to clean up leaks & spills - do not hose down
- Use tarps or drip pans when working on your car to avoid spills
- Wash your car at a car wash - wash water from car washes goes to the sanitary sewer not to the storm water system.

- Trash Day - Bag up

### Maintenance Member of the Month!

John is our lead Maintenance Tech within Scott Family Housing. His favorite thing about working at SFH is the teamwork & camaraderie. John has been with our team for over 9 years, and recently welcomed a little one to his family! Congratulations John! His favorite food is pizza, color is blue, and his hobbies include video gaming and working out. Along with living in Illinois all his life, John is a "life-saver" for our team and works very hard to ensure that his job gets done well. Thanks John for all that you do for our team!

**Meet your Lincoln's Landing Resident Services Specialist: AMY**  
My name is Amy Cook. I am a Resident Services Specialist for Lincoln's Landing. I have worked with Hunt Companies since November 2014. I have a long history of sales and customer service. As a 21 year Military Spouse I have a great understanding of all the situations our Resident Families face and do my very best to provide the best customer service possible. My family has been stationed at Scott AFB for 17 years. We love Scott and feel very fortunate to have been here so long. My husband William and I have two amazing children. Our son Braven is 11 and is a Boy Scout. Our daughter Amber has recently Commissioned to the Air Force and is currently in training. I feel so blessed to work for Hunt Companies and our Office and maintenance Team. My goal is to continue to support our residents and help build a sense of community at Scott Family Housing.
