## Our President's Message

### Hunt launches HEART Program

As we progress through August, everyone is focused on getting the kids back to school and thinking about all those chores that were put on hold while having fun over the summer. At Hunt, we've been focused

on finding more ways to support our military families. This month, Hunt launched the HEART Program. HEART stands for Hunt Embraces: Activities, Resources & Training and this new program provides services and educational training in the areas of navigating military life, how to access base resources, and activities for children and families. Some new services you can look forward to include: a comprehensive Resource Guide including on-base and local community resources, introduction and guidance when navigating through new local school systems, extra maintenance hours to deployed spouses so when requested for thing such as removing Christmas trees, assisting with hanging pictures, etc., and special events in support of deployed service members such as preparing and mailing care packages twice a year and delivering special treats to spouses on Valentine's Day. And there is much more. Get in touch with your Resident Service Specialist for more information or to take advantage of these great programs.

Best,

John Ehle  
President  
Hunt Military Communities

## Back to School!

Thank you to our smallest residents for stopping in for a Back to School Goody! We hope everyone had a great first day!

## Scott Family Housing and their Military Partners accept The Military Relationship Award

The Military Relationship award identifies and recognizes a local Hunt/Government team that exemplifies the true definition of partnership. Evidence of this exceptional partnership includes measurable contributions to community metrics and decisions made by the partnership that improves the community as a whole.
