Turkey Tips

Turkey Frying:

- Keep fryer AWAY from your home/awnings
- Place on a flat, level surface
- Use a thawed, dry turkey
- Monitor the temperature
- Completely cool grease prior to disposal
- Have fire extinguisher ready!

Additional Safety Tidbits:

- Never leave cooking food unattended
- Ensure that pot holders/food wrappers are at a safe distance from hot surfaces
- Avoid dangling accessories or loose clothes
- Never douse a grease fire with water. Instead, smother flames with lid, douse with baking soda, or use fire extinguisher
