SCOTT INSIGHTS NEWS & STORIES

Our President's Message

April is the Month of the Military Child and during this month especially, Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from

state to state, school to school, and having parents deployed for long periods, along with many other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. This year, for the first time, we are launching "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short blurb may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. Each selected Hunt Little Hero will act as "Hero for the day" at a special celebratory event at their local Hunt community in honor of Month of the Military Child. Applicants can visit <https://www.huntmilitarycommunities.com/our-communities> to see whether they qualify and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

John Ehle

"I don't miss Illinois, but I do miss all the great people at Hunt."

"Our maintenance provider was very respectable and courteous. He was very attentive to the problem at hand. Once he fixed our fence he encouraged me to inspect the fence to allow for feedback and possible direction. I was satisfied with his ability to complete the task without delays. He repeatedly thanked me for calling Maintenance-as if it delighted him to fix our problem. This gentleman is a credit to his profession and a true craftsman who takes pride in his work. Thank you, for your time and attention to Maintenance request. I would also like to add My appreciation to the lady who took my Maintenance request, even though I called the wrong office. She was extremely nice. Thank you, for a great overall experience."

"Jon was extremely polite and very helpful. He arrived quickly and did a great job resolving our issue. This was an emergency work order on a Sunday morning, we were so grateful for such a quick response and having maintenance available on a weekend."
